July 14, 2016

Dear _____:

On behalf of Bridging Communities, I would like to personally thank you for attending our 6th Annual Walk for Elder Independence. Your participation has provided support for our organization to fulfill its mission of improving the quality of life for the elders of the Southwest Detroit area. Our annual fundraisers are crucial to helping us continue this essential work and we could not be successful without you.

Bridging Communities is thankful for the dedication of its supporters and encourages you to continue supporting our work and our mission. As always, let's make it a good day in the neighborhood and help make a difference in the lives of our seniors.

Thank you again for your generous support,

Phyllis Edwards, LMSW
Executive Director
Bridging Communities, Inc.
